MEMORANDUM FOR THE RECORD

SUBJECT: Resumption of
IDEALIST/ TACKLE

Tonight at 1805 hours the undersigned spoke with Dr. Charyk on the resumption of the subject flights. Dr. Charyk concurred on the resumptions and agreed he would brief Mr. Nitze tomorrow to support them when they are discussed at tomorrow's Special Group meeting. I, in turn, agreed to furnish Dr. Charyk with another complete set of papers on the subject although Dr. Charyk did recall having seen the TACKLE papers previously.
